ENTRY INFORMATION

Select Category/Market Rank: _____

Choose a market rank based on where the entry aired, or in what market the entry was produced, whichever is the larger of the two. For example, if a commercial was produced in a medium market, but aired in a small market, it must be entered in the Medium Market categories. Likewise, if an entry was produced in a medium market but aired in a large market, it must be entered in the Large Market categories. The Market Rank does not apply to the Feature Production category.
For US entries: Arbitron 12+ Metro Survey Area ranking applies. Large Markets = Markets 1-25. Medium Markets = Markets 26-100. Small Markets = Markets 101+.
Entries outside the US: Total Metro Population applies. Large Markets = Population 2,000,000+. Medium Markets = 500,000-2,000,000. Small Markets = Less than 500,000.
